

Spring World® 2010 to Officially Kick-off on October 14 During Annual Supplier-Member Dinner

The official Kick-off to the Spring World® 2010 countdown starts with the Annual Suppliers and Member's Dinner on Wednesday, October 14, 2009 at the Rosewood Restaurant, 9421 Higgins Road in Rosemont, IL

- Bring your management and sales people to meet with the spring manufacturers.
- Bring your suppliers who may not yet have a booth on the show floor.
- Exhibitors who would like to know more about Spring World are invited as guests!

We encourage you to register for the dinner early by contacting the CASMI administrative office to register for this free event. Your early registration will allow us to get an accurate count on the number of seats and meals that will be required.

With over 40 early-bird booth reservations already on-hand, the 2010 Show promises to be a big success. Join us to reserve trade show space, find out what your competitors are up to, and help us to rebuild the spring industry.

All CASMI Members, Suppliers, and potential Exhibitors are invited to this festive evening for Cocktails and Dinner. There will not be any long-winded speeches, just timely updates about industry matters, concerning the Show from SMI and the CASMI leadership.

Schedule

5:30 pm	Bar Opens
6:30 pm	SpringWorld & Membership Meeting
7:00 pm	Dinner

We hope you will join us as we help the industry to re-start it's economic engine and get the spring industry moving again.

Chairman of the Regional Manufacturing Institute to Address CASMI November Members Meeting

Drew Greenblatt, recently elected Board Chairman of the Regional Manufacturing Institute of Maryland (RMI) is scheduled to speak at CASMI's November 19, 2009 Membership Meeting at the Rosewood Restaurant, 9421 Higgins Road in Rosemont, IL

Greenblatt's presentation titled "How to Thrive/Survive in a Tough Economy" will provide CASMI members with Strategies to Grow:

- Export – consider foreigners as a lucrative market
- Technology – cutting edge is critical
- Speed – fast is critical
- Process - streamline
- 80/20 Principle – fire some clients
- Talent – bonus plans that are objective and weekly
- Politicians.....

Greenblatt, President of Marlin Steel Wire Products of Baltimore was recently elected to help further RMI's efforts that promote manufacturing competitiveness, workforce development and sustainability. In addition, Greenblatt is on the Executive Board of the National Association of

Manufacturers and was recently appointed by Maryland's Governor O'Malley to the Governor's International Business Advisory Board. He is a frequent guest of Fox business News and has been featured in articles in the Wall Street Journal, New York Times and Fortune.

Schedule

5:30 pm-	Bar Opens
6:15 pm-	Speaker & Membership Meeting
7:00 pm-	Dinner

Please contact the CASMI Administrative Office to reserve your space for this timely and interesting presentation. Your early advanced registration will allow us to get an accurate count on the number of seats and meals that will be required.
