Dear Mr. Greenblatt:

Thank you for participating in the House Small Business Committee's hearing on small business trade policy and its affect on job creation and economic growth. Your participation was greatly appreciated.

As Ranking Member of the House Small Business Committee it is important to me to have small businesses testify and educate the Committee on the real life consequences of our actions. Your testimony provided useful insight into trade policy and I believe your suggestions to tear down trade barriers were received loud and clear. I, along with the members of the Committee, found your perspective very enlightening.

Again, thank you for being a part of the hearing, and I look forward to working with you in the future.

Sincerely,

Sam Graves
